**BUSINESS MEETING MINUTES**

▪ **Good of the Order**

The Chair welcomed the attendees. He recognized new attendees from Portsmouth PD as they launch their accreditation process. CALEA Regional Program Manager Paul MacMillan was also welcomed to the meeting.

The Chair reported that Montreal Airports Patrol A.M./CALEA Assessor Nicolas Sasseville has taken a different job at Pierre Trudeau Airport and will no longer be with the Patrol. He was recognized for his leadership and camaraderie.

**Bill Wilmot made the following motion: To extend honorary membership In NNEPAC to Nicholas Sasseville. John McGregor seconded. Unanimous.**

The Chair will notify Nic and send him a token of our appreciation.

▪ **Treasurer's Report**

The Treasurer reported a balance of \$8,000. 2016 dues continue to trickle in.

▪ **Media Coordinator's Report**

The new NNEPAC website is up and running and has met with widespread public acclaim. There have been 4132 downloads of NNEPAC Radio's nine podcasts. We have 81 "Likes" on Facebook.

▪ **CALEA On-sites and Mock On-sites**

UNH PD's CALEA on-site is 3/29-4/1/16. Call-in will be March 30<sup>th</sup> from 1-3PM 603-862-4700 or 603-862-0699. Public Hearing will be March 30<sup>th</sup> at 5PM at the UNH Memorial Union Building, Room 312.

Laconia NH PD's mock on-site for full Accreditation will be April 22<sup>nd</sup> at 9AM. It will be a PowerDMS mock. If you are planning on attending, please RSVP to Chair Murphy and plan on bringing your own laptop.

The Chair reminded the members of the critical nature of the mock assessment process to the agencies that request them. Also, as PowerDMS mocks become the rule, NNEPAC will be reassessing how observers can continue to be involved.

▪ **Old Business**

NNEPAC's Spring Conference will be held May 11-13 at the Mountain Club on Loon in Lincoln, NH.

Registration is a two-part process: conference registration is completed through NNEPAC & lodging reservations will be done with the resort. Hotel #800-229-7829. Tell them you are with NNEPAC to get the reduced rates.

You may now register for the conference with NNEPAC. Contact Treasurer Mark Collopy. Further information and the registration form may be found at [www.nnepac.com](http://www.nnepac.com).

Accreditation and law enforcement topics form the backbone of the Conference. There will be something for everyone regardless of their experience level. On Wednesday, there will be two training tracks; one track for new folks ("A Comprehensive Guide to CALEA Accreditation") and another for seasoned veterans. PowerDMS will be in attendance for training and for consultation. There will also be a discussion of CALEA's proposed Sixth Edition Standards. The keynote (Thursday) topic will be *Active Shooter Incidents for Communicators and First Responders*. Several vendors will be at the conference.

▪ **New Business**

A PowerDMS User Group is forming. Contact VSP Lt. Dee Barbic at [dee.barbic@vermont.gov](mailto:dee.barbic@vermont.gov) to join.

RPM MacMillan spoke about CALEA's new web-based reporting system and how it will all fit together. As part of the new system, new data tables have been designed for the agencies now entering the 4-year process. (Agencies still in the three-year process will continue to use the old data tables.)

▪ **Training**

Jamie Iskra hosted a knee-slapping game of *Accreditation Jeopardy*. Treasurer Mark Collopy was the official scorekeeper. Teams representing the states of Maine, Massachusetts, and New Hampshire competed. Though it was neck-and-neck up until *Final Jeopardy*, Massachusetts prevailed; Maine and New Hampshire tied for second place.

▪ **Adjournment**

The meeting adjourned at 11:55AM.
