

2023 NNEPAC CONFERENCE

NH State Accreditation Presentation

May 11th The Mountain Club or Loon *Full Conference runs from May 10th - 12th
Lincoln, NH

Join Commission Chair Chief Anthony King & Program Manager Chief (ret.) Michael French for: An Overview of the NH Law Enforcement Accreditation Program

This presentation will provide an overview of the New Hampshire Law Enforcement Accreditation Program initiative that is currently underway. This initiative encourages a new perspective on accreditation, where police agencies view accreditation as a benefit, not a hindrance. This program will help further advance New Hampshire law enforcement so we can effectively meet the ever-changing demands of policing in the 21st century. It is innovative in that it develops best practices and standards that will allow agencies of all sizes and resources to improve process and the delivery of policing services.

Key points of the presentation:

- The purpose for the program's creation
- The benefits to the community and the people we serve
- The importance of accreditation as a risk and liability management tool
- The standards of accreditation
- Costs and management of the Accreditation Program
- Question and Answer session on getting started

Four (4) hour training held on day two of the NNEPAC Conference

Demonstration:

A key partner for the State Accreditation Program is PowerDMS. Representatives from this software public safety platform will give an overview of their document management system, which is specifically constructed to manage your accreditation documentation. Attendees are welcome to meet one on one with PowerDMS representatives as well.

Real Life Applications:

Members of the Northern New England Police Accreditation Coalition have been using PowerDMS to successfully participate in CALEA Accreditation for years. We will have our files open for presentation and review and be able to answer questions from the standpoint of local practitioners.

Pre-Registration is REQUIRED
