

2025 NNEPAC CONFERENCE

May 7th – 9th

The Mountain Club at Loon

Lincoln, NH

The Northern New England Police Accreditation Coalition (NNEPAC) is proud to present its biennial conference to all police accreditation professionals and administrators. This year's program will cover all items for national and state accreditation programs and is tailored for all levels of experience. Training will consist of the most current accreditation practices to include the management of assessments, development of policies, and police procedures. The other key factor in the conference will be the networking opportunities that attendees will have by meeting and learning from other law enforcement professionals.

Trainings:

- Accreditation A to Z
- File Management
- PowerDMS
- Critical Incident Management
- Internal Affairs

All trainings are relevant for both CALEA and State Accreditation Programs

Feature Presentation
